**Designing Comprehensive Evaluation Systems:  
Summit III: Using Formative and Summative Evaluation  
Data in a Comprehensive System to Improve Teaching  
and Learning**

**Arizona Department of Education in Partnership with the Southwest Comprehensive Center at WestED  
Wigwam Resort – Litchfield Park, AZ April 29 & 30, 2012**

**Sunday's Keynote Speaker: Charlotte Danielson**

## **Purpose of the Workshop:**

To review the Arizona Framework for Measuring Educator Effectiveness: Teacher Performance Measures;

- To identify the conditions for effective use of classroom observations;
- To examine various models of multiple measures, weighting and use of data to inform LEA plans, both within and outside of Arizona;
- To continue to develop an action plan for the design and implementation of an LEA educator evaluation system; and
- To identify resources, tools and assistance available to LEAs.

## **Participants:**

LEA teams responsible for the design and implementation of the district evaluation system made up of district, school and teacher leaders, such as:

- Superintendents & Principals
- School board members
- HR Directors
- Assessment and/or Curriculum Directors,
- Department or Grade Levels Chairs
- Content Specialists
- Association leaders

## **Summit Format:**

Participants will hear national experts provide current information, research and resources on approaches to measuring educator effectiveness. LEA teams will have the opportunity to reflect on and discuss the information provided and develop plans in working sessions. Experts will be available for questions, consultation and guidance during team working sessions. A workbook will be provided for each session to record key ideas, reflections, discussions, decisions and next steps determined in working sessions.
